

13th Annual Hand Surgery Symposium: Dancing with the Elbow Stars!

Philadelphia Meeting

March 5 – 7, 2011

The Hand Rehabilitation Foundation is proud to present in 2011 the 13th Annual Hand Surgery Symposium entitled **Dancing with the Elbow Stars!** Based on the widely acclaimed symposium first held in 1999, this meeting will provide a comprehensive exploration of common elbow problems and management presented by an internationally renowned faculty. Didactic presentations will provide the framework, and cadaver surgery demonstrations will provide the picture of anatomy and techniques of management with unparalleled clarity. Exhibitor sponsored bioskills labs will be offered as in previous years to provide to a captive audience demonstrations and hands-on experience with the latest in technology for hand, wrist and elbow surgery.

Target Audience: Hand Surgeons, Orthopaedic Surgeons, Plastic Surgeons, Microsurgeons
